Comments by Sheriff Elect Mike Smith

While the early start was not anticipated, he promises to keep things exciting in the sheriff's office. Issues that need improvement need our support. The sheriff's office is a team; it is everyone's sheriff's office. Our involvement in the following community programs is requested: the honorary colonel program, the forest service, and the National Forest Service, Please reach out to him.

Point of order

A point of order was raised with regard to a conflict between the UCRP Constitution Article III F and part of UCRP Bylaws 8.d.8.b and 8.e.7.b. The last sentence of Bylaw 8.d.8.b and 8.e.7.b were declared null and void based on parliamentary authority. The chair declared the point well taken and declared the last sentence of the bylaws in question null and void and thereby the election in question also null and void. Notice is given and elections will be held at the September Central Committee Meeting.
